The above licensee is hereby given permission to use certification marks on or in connection with products which fulfil the requirements of the standard specified above.

The certification licence is valid on the condition that the licensee complies with the »General Nordic Rules for Certification of Conformity with Standard« and the specific rules applying to the certification of products of the type mentioned.

The licence is valid until December 31 of the current year and is automatically renewed for one year at a time, unless the licensee or the Danish Standards Association gives at least three months' notice to the contrary.

The licensee is obliged to indemnify the Danish Standards Association for any claim for damages or any other expenses to which the Danish

Standards Association may become liable as a result of injuries caused by a product manufactured or sold by the licensee. This also applies in the case of defective or faulty products. The licensee is obliged to have legal proceedings brought before the court which deals with such proceedings instituted against the Danish Standards Association.

The licence is not transferable.
